

C|SCU CERTIFIED SECURE COMPUTER USER

<p>What is CSCU? </p>	<p>Course Content </p>	<p>Who's It For? </p>								
<p>The purpose of the CSCU training program is to provide individuals with the necessary knowledge & skills to protect their information assets.</p>	<p>This class will immerse students in an interactive environment where they will acquire a fundamental understanding of various computer & network security threats such as identity theft, credit card fraud, online banking phishing scams, virus & backdoors, emails hoaxes, sex offenders lurking online, loss of confidential information, & social engineering.</p>	<p>This course is specifically designed for todays' computer users who use the internet extensively to work, study and play.</p>								
<p>Learning Objectives </p>	<p>Why Cyber Security Awareness Training? </p>	<p>Exam Information</p>								
<ul style="list-style-type: none"> • Introduction to Security • Securing Operating Systems • Malware & Antivirus • Internet Security • Security on Social Networking Sites • Securing Email Communications • Securing Mobile Devices • Securing the Cloud • Securing Network Connections • Data Backup & Disaster Recovery 	<p>Threat Landscape - The threat landscape changes constantly & security awareness is a perishable skill. Continually training your employees on new & emerging threats creates a safer employee & a safer organization.</p> <p>Regulatory Requirements - Regulations such as GLBA, PCI, HIPAA, & Sarbanes-Oxley require security awareness training because people are still a weak link in IT security.</p> <p>Bring Your Own Devices policies (BYOD) - Your network is less because your staff are using devices & connections that are outside your security policy. BYOD requires a good security training program.</p>	<table border="0"> <tr> <td data-bbox="1112 674 1379 756"> <p>EXAM TITLE</p> <ul style="list-style-type: none"> • Certified Secure Computer User </td> <td data-bbox="1379 674 1680 756"> <p>DURATION</p> <ul style="list-style-type: none"> • 2 Hours </td> </tr> <tr> <td data-bbox="1112 773 1379 822"> <p>EXAM CODE</p> <ul style="list-style-type: none"> • 112-12 </td> <td data-bbox="1379 773 1680 822"> <p>AVAILABILITY</p> <ul style="list-style-type: none"> • ECC Exam Portal </td> </tr> <tr> <td data-bbox="1112 838 1379 887"> <p># OF QUESTIONS</p> <ul style="list-style-type: none"> • 50 </td> <td data-bbox="1379 838 1680 887"> <p>TEST FORMAT</p> <ul style="list-style-type: none"> • Multiple choice </td> </tr> <tr> <td colspan="2" data-bbox="1112 904 1680 931"> <p>PASSING SCORE</p> <ul style="list-style-type: none"> • 70% </td> </tr> </table>	<p>EXAM TITLE</p> <ul style="list-style-type: none"> • Certified Secure Computer User 	<p>DURATION</p> <ul style="list-style-type: none"> • 2 Hours 	<p>EXAM CODE</p> <ul style="list-style-type: none"> • 112-12 	<p>AVAILABILITY</p> <ul style="list-style-type: none"> • ECC Exam Portal 	<p># OF QUESTIONS</p> <ul style="list-style-type: none"> • 50 	<p>TEST FORMAT</p> <ul style="list-style-type: none"> • Multiple choice 	<p>PASSING SCORE</p> <ul style="list-style-type: none"> • 70%
