# About NetCom Learning

## We Teach Technology & Business. We Manage Learning

NetCom Learning helps build innovative learning organizations in the workplace by structuring a smarter workforce, supporting changes, and driving growth. Since 1998 we have been empowering organizations to reach optimal performance results and address challenges by managing all aspects of organizational learning. With a team of dedicated and knowledgeable learning professionals utilizing profound subject-matter expertise, NetCom Learning has serviced over 80 percent of Fortune 1000 companies and helped over 14,000 organizations and 150,000 professionals achieve their business goals.

As an award-winning IT and business training skills organization, our most renowned awards include Microsoft Training Partner of the Year and Training Industry's Top 20 IT Training Companies (seven years in a row).

## Microsoft Training at NetCom Learning

As Microsoft's Gold Certified Partner, NetCom Learning helps organizations adapt and thrive in this fast-paced world by closing critical skill gaps and ensuring the smooth deployment, implementation and consumption through official Microsoft training by Microsoft Certified Trainers (MCTs).

From authorized training to specialized certifications, we offer an entire portfolio of Microsoft learning solutions, encompassing Apps & Infra, Data & AI, Modern Workplace, and Business Apps. Our training includes an array of Microsoft Products, such as Azure, Dynamics 365, Office 365, .NET, Power Platform, Teams, and much more.
